¹ The Court notes that plaintiff has withdrawn his request to extend the discovery schedule to accommodate expert ethics testimony. (Dkt. No. 52.) Neither party has identified any other potential expert testimony in this action. The Court declines plaintiff's invitation to provide an advisory opinion as to whether it would be willing to "revisit" the issue of expert discovery in the future, in response to a hypothetical motion, not yet made, regarding a hypothetical expert, not yet identified, concerning a hypothetical topic, not yet described.
