Re: Guardit Technologies, LLC et al. v. Empire IP LLC et al.
Case No.: 1:20-cv-00943-MMG-SDA

Dear Magistrate Aaron:

We represent Plaintiff Guardit Technologies, LLC ("Guardit"), in the above-referenced matter. We write jointly with defendant to respectfully request that the court reschedule the remote settlement conference currently scheduled for November 12, 2024 at 2:00 p.m. This is the parties' first such request.

The reason for this request is because plaintiff's principal officer, Michael Script, has recently suffered acute complications to an underlying medical condition and his physician has advised that he take additional time off in order to facilitate a full recovery. Mr. Script's deposition, noticed for October 15, 2024, consequently has had to be postponed until he is well and, because the parties agreed that Mr. Script would be deposed first, the depositions of defendant's representatives have also had to be postponed.

The parties believe that the settlement conference will be most productive if party depositions are completed in advance and the original schedule for depositions contemplated this plan. Given that no depositions will likely take place prior to the November 12, 2024 date of the settlement conference, we respectfully request that the Court reschedule the settlement conference until this additional discovery is able to be conducted.

Respectfully submitted,
