20 Civ. 2011 (JPC)

ORDER

JOHN P. CRONAN, United States District Judge:

Trial in this matter is set to commence on December 16, 2024. On November 13, 2024, the Court received an email from Plaintiff Mary Harris seeking an adjournment of the trial for at least sixty days, which is attached as Exhibit A to this Order. Plaintiff’s email, however, was not sent to Defendant City of New York, nor did it reflect Defendant’s position on the adjournment request. Defendant is directed to file a letter by November 26, 2024 with its position on Plaintiff’s request for a trial adjournment.

SO ORDERED.

 New York, New York
