Re: *Honig et al. v. Hansen et al.*, No. 20 Civ. 5872 (AKH)
Grander Holdings, Inc. et al. v. Hansen et al., No. 20 Civ. 8618 (AKH)

Dear Judge Hellerstein:

We write on behalf of the parties in the above-referenced consolidated matters. On April 27, 2022, the Court issued its Order granting in part and denying in part Defendants' motions to dismiss ("Order") and setting an initial pretrial conference for 10:00 a.m. on May 27, 2022.

To accommodate counsel's scheduling conflicts, the parties respectfully request that the conference be adjourned. All counsel are available on June 8, 2022, if that date suits the Court. If that date does not suit the Court, counsel will promptly coordinate to propose other dates.

Additionally, the parties request a two-week extension, from May 11 to May 25, 2022, of the time to move to reconsider the Order under Local Civil Rule 6.3. And Defendants request a two-week extension, from May 11 to May 25, 2022, of their time to serve and file answers to the complaints.

This is the parties' first request for adjournments of the above-referenced dates. All adjournments are consented-to.

Respectfully submitted,

Daniel R. Walfish
