Re: *Jones et al. v. United States Postal Service et al.*, No. 20 Civ. 6516 (VM)

Dear Judge Marrero:

This Office represents the defendants in the above-referenced case. We write on behalf of all of the parties respectfully to request that the Court consider and, if it is acceptable to the Court, approve the attached corrected Supplemental Guidance Document. *See* Exhibit A (clean version). The attached corrected Supplemental Guidance Document would, if approved, supersede the version that the Court approved earlier today. *See* ECF No. 84.

The parties apologize for the inconvenience to the Court. After the parties submitted their agreements regarding the Supplemental Guidance Document to the Court this afternoon, *see* ECF No. 83, Plaintiffs noted that the Supplemental Guidance Document contains language, elsewhere in that document, essentially identical to the provision that was the subject of the parties' first agreement. *See* ECF No. 83-1 at 2 (bullet point relating to extra delivery and collection trips, as modified per the parties' agreement); *id.* at 3 (unmodified provision titled "Delivery/Collections"). The parties have conferred and have agreed to modify the second instance of this language to match the first. A redline showing this additional change is attached as Exhibit B.

The parties thank the Court for its consideration of these issues.
