LORNA G. SCHOFIELD
UNITED STATES DISTRICT JUDGE

Your Honor,

Plaintiff writes to the Court to respectfully request an adjournment of the currently scheduled initial conference until a date in late March or early April at the Court's convenience.

Since serving the Summons and Complaint, an attorney representing Defendant Martin has reached out to the undersigned hoping to engage in settlement discussions pre-answer. This attorney represents Defendant Martin in an unrelated legal matter and, as I understand it, is not empowered to appear yet and asked to engage in settlement discussions before having to be formally retained.

The undersigned is welcome to such discussions but the parties needed a bit more time to discuss amongst all parties a potential resolution.

If it pleases the Court, perhaps the initial conference can be adjourned four or six weeks to see if the parties can resolve the matter or, failing that, for the Defendants to retain an attorney to appear and defend them.
