MEMO ENDORSED

RE: Graciela Doncouse v. West NY 500 Corp. et al.

Index: 1:22-cv-03181-PGG-KHP

Dear Judge Parker,

Plaintiff respectfully requests a thirty (30) day extension of the initial conference currently scheduled for September 28, 2022 [Dkt 13] to October 28, 2022, or to a date thereafter that is convenient for this Court.

The reason for this request is that our office received a call from "Mansoor Saleh", owner of West NY 500 Corp. d/b/a Fresh 2 Go Market, and one of his representatives to assist with the matter (not an attorney) who informed us they need time to seek counsel and or work out a resolution on the matter if possible. The parties agreed to exchange some information to assist towards the same.

Therefore, we respectfully request to adjourn the September 28, 2022 Initial Conference to October 28, 2022, along with all corresponding deadlines regarding the Case Management Plan and Joint Letter, giving Defendants time to investigate, retain counsel, and appear in this action. We believe this extension of time will preserve judicial resources and allow the Court to hear the case on its merits, if not amicably resolved in advance. This is the second request of its kind.

We thank you and the Court for its time and consideration on this matter.
