MEMO ENDORSED**Joint Letter Motion in Support of Proposed Stipulation**

Re: *Siemens Industry, Inc. v. Great Midwest Insurance Company*
No. 23-cv-05046-JHR

Dear Judge Rearden:

Pursuant to Rule 5.J of the Court's Individual Rules of Practice, plaintiff/counterclaim defendant Siemens Industry, Inc. ("Siemens") and defendant/counterclaimant Great Midwest Insurance Company ("GMIC") jointly submit this letter motion in support of the enclosed Stipulation regarding GMIC's responses to Siemens' discovery requests ("Stipulation").

On October 10, 2023, Siemens served interrogatories and document requests ("Discovery Requests") on GMIC, and the responses were due by November 9, 2023. Siemens consented to extend the deadline to January 8, 2024, but GMIC has not yet responded to the Discovery Requests nor produced documents. Rather, the parties have been devoting resources to try to obtain a global resolution of this matter.

Notwithstanding settlement negotiations, which remain ongoing (another settlement conference with the Honorable Stewart D. Aaron, U.S.M.J., is tentatively scheduled for this week), on February 1, 2024, the parties met and conferred about GMIC's overdue responses and agreed upon the Stipulation, which provides that GMIC must serve responses and produce documents in response to the Discovery Requests by February 29, 2024. The parties believe that the Court's entry of the Stipulation will obviate the need for Siemens to move to compel

responses to the Discovery Requests, thereby saving the Court and the parties the time and expense associated with motion practice. Accordingly, we respectfully request that the Court “so order” the Stipulation.
