ORDER

JESSE M. FURMAN, United States District Judge:

Plaintiff alleges that Defendant’s website is not accessible to blind and visually impaired customers and, thus, violates Title III of the Americans with Disabilities Act (“ADA”), 42 U.S.C. § 12181 *et seq.* In the Court’s experience, cases involving such claims almost always settle, often even before the initial pretrial conference. To that end, by separate Order to be entered today, **the Court is referring this case to the assigned Magistrate Judge for General Pretrial Purposes, including settlement. To be clear, the referral does not encompass any dispositive motions, which will be handled by the undersigned in the normal course.**

SO ORDERED.
