ORDER ADOPTING REPORT
AND RECOMMENDATION

11-CV-730 (CS)

Seibel, J.

Before the Court is the Report and Recommendation (“R&R”) of Magistrate Judge George A. Yanthis, dated October 30, 2013, (Doc. 61), recommending that a judgment of default be entered against Defendant Palonia Development & Restoration Services Co., LLC (“Palonia”). No objections to the R&R have been filed, so I review it for clear error. No error – clear or otherwise – being apparent, the R&R is hereby adopted as the decision of the Court. Defendant Palonia is hereby declared in default, and a default judgment will be entered against it in an amount to be determined after an inquest.

The Clerk of Court is respectfully directed to re-designate this matter to Magistrate Judge Davison, to whom the undersigned will refer the case for an inquest as to damages for both Defendant Palonia and Defendant United States Environmental Universal Services, Inc. (*See* Docs. 57, 60.)
