Re: Elavon, Inc. v. Northeast Advance Techs., Inc., et al.
Civil Action No. 7:15-cv-7985-KMK-PED

Dear Judge Karas:

My firm represents plaintiff Elavon, Inc. in the above-referenced action. Following up on the Court's decision on the defendants' motions for summary judgment, I write to request that the Court extend Elavon's time to move for reargument from April 13, 2023, as required by Local Civil Rule 6.3, to May 5, 2023.

Having reviewed the Court's decision on the summary judgment motions (ECF No. 595), Elavon wishes to make a very limited motion for reargument on one or two discrete points. However, I am leaving on a family vacation on April 5, 2023, and am due to file opposition to a dispositive motion in the case of *Stanislaw v. Thetford Township* (E.D. Mich.) on that same date. Therefore, I will be unable to file the motion for reargument before my departure.

I am returning to the office on April 17, 2023, but have a jury trial scheduled in the matter of *Pellegrino v. Century Pools* (N.J. State Court) beginning on April 24, 2023, and which will probably last that entire week. Therefore, I respectfully request the Court's leave to file the motion for reargument by May 5, 2023. The Court may address the motion during the May 10, 2023 conference in this action.

On March 31, 2023, I sought consent from opposing counsel for the relief requested herein. However, I have not heard back from Messrs. Yurowitz and Landrigan as of this evening, and wanted to file this motion before my departure.
