As discussed at an on-the-record case management conference held on March 15, 2024,
attended by counsel for all parties, it is HEREBY ORDERED:

1. The parties are directed to obtain a transcript of the recorded October 17, 2018,
conference before Magistrate Judge Lisa Margaret Smith regarding the scope of discovery.

2. By April 15, 2024, the parties shall file a joint status report regarding defendant
FDR Services Corp. of New York's request for additional discovery, specifying the particular

discovery defendant believes is required. The parties are strongly encouraged to agree as to the scope and nature of any additional discovery, and how long it will take to complete.

3. The parties are also directed to continue to discuss settlement in good faith. The joint status report shall inform the Court whether the parties, or either of them, believe a reference to the magistrate judge for a settlement conference would be appropriate.

4. The next case management conference in this matter is scheduled for May 8, 2024, at 10:00 a.m. in Courtroom 620 at the White Plains Courthouse.
