Plaintiff come before the Court and all parties concerned to move the Court for a brief time extension. A good faith effort has been made to comply within the deadlines. Plaintiff is as you know a Pro-Se litigant with no pryer knowledge of Federal Law. Plaintiff is incarcerated at Orleans Correctional Facility, in Albion N.Y We are in the mist of a Cov-19 lockdown for (30) days, and the Law Library callout system is distressed . Plaintiff is also of Latino decent and does not read or wright English very well. Plaintiff wishes to comply with the Civil Case Discovery Plan and scheduling order. Plaintiff asks the Court for a (6) day extention or whatever the Court sees fit and just. Plaintiff asks only to please the court with timely pleadings. If the extention is approved by Judge and Defense in this case Plaintiff feels he can follow any scheduling plan and or order Court sets forth

with the help of the Facilities Law Library, as of this time there is no Spanish speaking Clerk, so Plaintiff will be doing all pleadings in English. Plaintiff hopes the extension will not unduly burden or prejudice the Judge or Defense in this matter.
