Re: *Felty v. Regeneron Pharmaceuticals, Inc.*
Case No. 18-cv-05667 (NSR) (JCM)

Dear Judge Roman:

As counsel for Defendant Regeneron Pharmaceuticals, Inc., we write, in accordance with Rule 1.E of Your Honor's Individual Practices in Civil Cases, to request a brief extension of Defendant's time to file its motion for summary judgment from December 2, 2019 to December 13, 2019. Defendant makes this request because several of its employees who need to review the draft motion before it is filed are unavailable this week due to the Thanksgiving holiday.

This is Defendant's first request for an extension of its time to file a summary judgment motion. Earlier today, counsel for the parties conferred via email, and Plaintiff consented to Defendant's request, and requested that the Court also extend Plaintiff's opposition deadline. The parties agreed on the following revised briefing schedule:

- | | |
|--------------------|---|
| December 13, 2019: | Defendant's deadline to file its motion for summary judgment; |
| February 7, 2020: | Plaintiff's deadline to file her opposition to Defendant's summary judgment motion; and |
| February 21, 2020: | Defendants deadline to file its reply. |

In accordance with Your Honor's Individual Practices we enclose a Proposed Revised Briefing Scheduled with Respect to Defendant's Motion for Summary Judgment. We thank the Court for its consideration of this request and the attached proposed order.

Respectfully submitted,
/s/ Shawn Matthew Clark
