**ORDER**

20 CV 5130 (VB)

On July 6, 2021, Magistrate Judge Krause issued a report and recommendation ("R&R"), recommending that respondent's motion to dismiss be granted and that the habeas petition be dismissed with prejudice. The R&R stated that pursuant to 28 U.S.C. § 636(b)(1) and Rule 72(b) of the Federal Rules of Civil Procedure, the parties shall have fourteen (14) days from service of the R&R to file written objections. (Doc. #22). Thus, objections were due July 23, 2021. See Fed. R. Civ. P. 6(d) (adding three additional days when service is made by mail); Local Civil Rule 6.1(b).

To date, petitioner has not filed any objections.

Accordingly, given petitioner's pro se status, the Court sua sponte extends to August 23, 2021, petitioner's time to file objections to Magistrate Judge Krause's R&R. Respondent's deadline to file responses to the objections, if any, is September 6, 2021. **If petitioner fails to file objections to the R&R by August 23, 2021, he will not be granted another opportunity to object to the R&R, and the Court will decide in due course whether to adopt the R&R.**

Chambers will mail a copy of this Order to petitioner at the address on the docket.

Dated: July 30, 2021  
White Plains, NY

SO ORDERED:

Vincent L. Briccetti  
United States District Judge
