

- c. Consultants or experts assisting in the prosecution or defense of the matter, to the extent deemed necessary by counsel; and
- d. The Court (including the mediator, or other person having access to any Confidential Information by virtue of his or her position with the Court).

The parties should meet and confer if any production requires a designation of “For Attorneys’ or Experts’ Eyes Only.”

5. Prior to disclosing or displaying the Confidential Information to any person, counsel must:

- a. Inform the person of the confidential nature of the information or documents;
- b. Inform the person that this Court has enjoined the use of the information or documents by him/her for any purpose other than this litigation and has enjoined the disclosure of the information or documents to any other person; and
- c. Require each such person to sign an agreement to be bound by this Order in the form attached as Exhibit A.

6. The disclosure of a document or information without designating it as “CONFIDENTIAL” shall not constitute a waiver of the right to designate such document or information as Confidential Information. If so designated, the document or information shall thereafter be treated as Confidential Information subject to all the terms of this Stipulation and Order.

7. Any Personally Identifying Information (“PII”) (e.g., social security numbers, financial account numbers, passwords, and information that may be used for identity theft) exchanged in discovery shall be maintained by the receiving party in a manner that is secure.

8. Pursuant to Federal Rule of Evidence 502, the production of privileged or work product protected documents or communications, electronically stored information (“ESI”) or information, whether inadvertent or otherwise, shall not constitute a waiver of the privilege or protection from discovery in this case or in any other federal or state proceeding. This Order shall be interpreted to provide the maximum protection allowed by Federal Rule of Evidence 502(d). Nothing contained herein is intended to or shall serve to limit a party’s right to conduct a review of documents, ESI or information (including metadata) for relevance, responsiveness and/or segregation of privileged and/or protected information before production.

9. Notwithstanding the designation of information as “CONFIDENTIAL” in discovery, there is no presumption that such information shall be filed with the Court under seal. The parties shall follow the Court’s procedures for requests for filing under seal.

10. At the conclusion of litigation, Confidential Information and any copies thereof shall be promptly (and in no event later than 30 days after entry of final judgment no longer subject

to further appeal) returned to the producing party or certified as destroyed, except that the parties' counsel shall be permitted to retain their working files on the condition that those files will remain protected.

11. Nothing herein shall preclude the parties from disclosing material designated to be Confidential Information if otherwise required by law or pursuant to a valid subpoena.
