BMHA directly manages over 4000 apartments that are located in public housing developments throughout the city of Buffalo, BMHA is also a partner in several privately managed developments. The BMHA is not an emergency housing program. We are a resource offering high quality safe and desirable housing for lower income families and individuals. All placements are made from wait list as openings occur, and extended waiting periods are the norm.

To apply for any of our federally supported public housing apartments, call 855-6774 or come into our central occupancy office located at 245 Elmwood Avenue.
