Lake, APC Matter No.: 2500.080811.001**

Dear Mr. Snyder,

On August 3, 2011, we sent you a letter granting you a generous extension until August 7, 2011 to produce the emails from Mr. Zuckerberg. This extension was based on your erroneous interpretation of the Court's July 1, 2011 Order. The extension has expired. Thus, you are and have been in violation of the Court's Order since July 21, 2011, as discussed in our Motion to Compel. Please produce the emails immediately.

If you have any questions regarding any of the aforementioned, kindly contact me at any time.

Very truly yours,

A handwritten signature in black ink, appearing to read "Nathan Shaman".
