Lake, APC Matter No.: 2500.080411.001**

Dear Mr. Snyder,

Upon further review, we believe that all confidential designations are appropriate. Should you choose to seek judicial relief, please bear in mind that pursuant to the Protective Order all documents we have designated as confidential are to be treated as such unless and until the Court issues an order to the contrary.

We maintain our position that you are and have been in violation of the July 1, 2011 Order (Order) since July 21, 2011. However, yesterday we generously granted you until August 7, 2011 to produce the Zuckerberg emails, based on what appears to be your interpretation of the Order, in an effort to informally resolve our dispute. If you comply with this deadline, we will withdraw our Motion to Compel.

If you have any questions regarding any of the aforementioned, kindly contact me at any time.

Very truly yours,

A handwritten signature in blue ink, appearing to read "Nathan Shaman".
