Subject: Supplemental Declaration Request from Defendants regarding Mr. Holmberg

Alex:

Mr. Ceglia has no personal knowledge regarding what files Jason Holmberg has retained or is retaining regarding this matter. Moreover, those files have been produced to Stroz Friedberg after your communication. Mr. Ceglia could not produce a declaration "from personal knowledge" as declarations appear to require, regarding this issue. If you are seeking a declaration that is not from Mr. Ceglia's personal knowledge, i.e. restates hearsay he has been provided about Mr. Holmberg's file retention, please advise and we will consider it.

Dean.
