Alex:

You were copied on the email. I have no idea what is happening on your end.

For the third time now, the privilege log is attached.

Let's see if you can get this one. Advise on that if you would, immediately, as you put it.

And, how are you coming on the Defendant's production due to us under the court's orders?

Also, my review indicates two email addresses that appear in the log attached to this document.

1. landlubber39@yahoo.com; and
2. paulc@hush.com.

If Defendants provide a consent form, my client will sign it, immediately.

Dean.
