MANAGING DIRECTOR

PROFESSIONAL EXPERIENCE**STROZ FRIEDBERG, LLC****Managing Director****New York, NY**

2005 to Present

Supervise digital forensic, electronic discovery, and cyber-crime response cases in the firm's New York City office. Supervise that office's Digital Forensic Examiners. Oversee and work on an active case load of digital forensic, cyber-crime response, electronic discovery, and private investigations assignments. Give Continuing Legal Education lectures to law firms and government clients. Significant cases include:

- Oversaw the on-site preservation and harvesting in Mexico of sensitive and confidential electronic data from a server and scores of laptops, desktops, and removable storage devices for a multi-national corporation in a high-stakes civil litigation. Supervised on-site processing to facilitate attorney review and to protect the confidentiality of extremely sensitive client documents.
- Led incident response in a high-profile data breach and computer crime investigation. Helped determine the nature and scope of the attack and identify potentially-compromised customer data. Assisted inside and outside counsel in formulating responses to regulatory and other inquiries.
- Helped lead global electronic discovery consulting projects for two Fortune 10 companies. Assessed and catalogued the kinds and sources of electronic data maintained by those companies and consulted on the proper handling of that electronic data, including compliance with litigation holds and other retention obligations. Prepared litigation-response plans to coordinate consistent disclosures about electronic data in a litigation context and to ensure the proper preservation and production of electronic data in criminal, civil, and regulatory matters.
- Spearheaded a team of digital forensic examiners and private investigators that preserved and analyzed network security logs to identify the source, duration, and extent of an unauthorized access into corporate file servers and, armed with that forensic proof, obtained a confession from an ex-employee of the corporation.
- Provided consulting services to a Fortune 500 company whose confidential data had been lost by a third party due to the theft of a laptop. Reviewed the security procedures used to determine what confidential information had been on the stolen laptop, thereby providing the company with important assurances that it had taken reasonable and adequate steps to identify the lost confidential information.
