So I am reading this as your agreement to our request for another week from tomorrow for our responses and objections. Please advise ASAP if that is not correct as we will then ask the Court for another week to allow us time to meet on these issues.

Mr. Boland:

We have been reviewing your discovery requests and had been planning to discuss with you some issues we have with them at the deposition today. Because you are not here for that, can we schedule some time on Monday to discuss the scope of the requests and agree to another week from tomorrow for our responses or objections?

Thanks

Alex
