ARTHUR J. KLEINFELDT as and for my sworn Declaration:

1. I reside at 151 E. Pearl Street, Wellsville, Allegany County, NY.
2. After I retired from being employed at A.B.C. T.V. in 1994, I relocated to Wellsville, New York and have resided there since 1994.
3. I first met Carmine Ceglia in 1994, as he was my barber.
4. Before I sold land to the Ceglias, I had other business dealings with Carmine Ceglia as he had a C-Bay and E-Bay business in Wellsville.
5. I remember on one occasion that Carmine did not charge me to use his C-Bay Service after my item did not sell.
6. In April, 2006, I sold 25 acres of vacant land in the Town of Wellsville to Paul, Carmine and Vera Ceglia and took back a bond & mortgage.
7. The balance of the mortgage was paid in full on August 23, 2010.
8. During the year 2009, I was approached by the Ceglias' for permission to timber the hardwood located on the 25 acre parcel as Paul Ceglia needed the timber to manufacture wood pellets to fill outstanding orders in his business.
9. I gave permission for the Ceglias' to timber the property.

10. On or about September, 2010, I received a telephone call wherein the man stated to me the following narrative in substance:

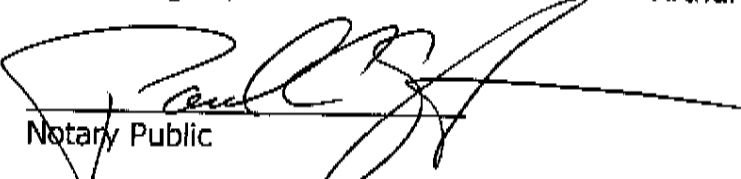

"We're Investigators from Buffalo. We're not investigating you. We found out by looking through the records in Belmont at the Allegany County Clerk's office that you had a land deal with the Ceglias'. How bad did they rip you off?
We're calling around Town asking people as they're a bunch of crooks."

11. I answered in substance: " They Didn't rip me off. Everything is fine. I never had any problem with them and they're nice people."

12. After my response, the caller was unhappy and said, "Oh, ok." and hung up. I never heard back from any investigator after that telephone call.

Sworn To Before Me this 18th
Day of August, 2012
