Dear Mr. Boland,

In light of Defendants' motion (Doc. No. 461), Judge Foschio, who was contacted while on vacation by his law clerk, Ms. Hopkins, believes your request for a conference call with Defendants to discuss the issue is now unnecessary, and that we should proceed in accordance with the scheduling order (Doc. No. 464) which has been filed, as the most productive way to address this matter.

Sandra
