

# EXHIBIT A

## **FEDERAL FORENSIC ASSOCIATES, INC.**

Post Office Box 31567 • Raleigh, North Carolina 27612  
(919) 848-3696 • FAX (919) 848-9849

### **ALBERT H. LYTER III**

#### **EDUCATION:**

B.S. Chemistry, Oklahoma City University, 1973  
B.S. Biology, Oklahoma City University, 1973  
M.S. Forensic Science, George Washington University, 1975  
Ph.D. Analytical Chemistry, University of North Carolina-Chapel Hill, 1999

#### **TRAINING:**

Fiber Microscopy, Institute of Paper Chemistry, 1975  
X-ray Spectrometry, State University of New York, 1976  
Questioned Documents, United States Secret Service, 1977  
High Pressure Liquid Chromatography, Waters Associates, 1978  
High Pressure Liquid Chromatography, American Chemical Society, 1978  
Forensic Microscopy, McCrone Research Institute, 1978  
Surface Analysis Techniques, Physical Electronics, 1992  
Identification of Photocopiers, New Mexico State Police, 1983  
Canon Facsimile Workshop, American Society of Questioned Document Examiners, 1991  
Microscopy for Pigment & Fiber Identification in Art & Artifacts, Campbell Center for Historic Preservation Studies, 2010

#### **EXPERIENCE:**

September 1981 to present

President and Chief Scientific Officer of Federal Forensic Associates, Inc.  
Engaged in consultation, examination, training, research and testimony in Forensic Science, including ink and paper analysis, trace evidence and questioned document examination  
Qualified trace evidence areas include fire debris, explosives, paint, hair, fibers, glass and wood.

January 1975 to September 1981

Forensic Chemist, U.S. Treasury Department, Bureau of Alcohol, Tobacco and Firearms, National Laboratory Center, Rockville, Maryland  
Engaged in consultation, examination, training, research and testimony as service to federal and state law enforcement

Court qualified in federal, state and military courts in over 33 states, U.S. Virgin Islands, Australia, Canada, Mexico, Malaysia and Singapore  
Instructor at the FBI Academy, Federal Law Enforcement Training Center, Naval Investigative Service, Air Force Office of Special Investigation, United States Secret Service, Florida Department of Law Enforcement, colleges and universities  
Lecturer at numerous scientific and legal organization meetings to include the American Academy of Forensic Sciences, American Society of Questioned Document Examiners, California Association of Criminalists, International Association of Forensic Scientists

**PROFESSIONAL  
ORGANIZATIONS:**

American Academy of Forensic Sciences - Fellow  
Mid-Atlantic Association of Forensic Scientists  
California Association of Criminalists  
Southwestern Association of Forensic Document Examiners  
International Association of Forensic Sciences  
American Chemical Society  
Society for Applied Spectroscopy  
American Society for Testing and Materials

**PUBLICATIONS:**

Comparison of Paper Samples - IAI News, 1976  
Comparison of Typewriter Ribbon Inks by Thin Layer Chromatography -Journal of Forensic Science, 1977  
A Scientific Study of Pencil Lead - Journal of Forensic Science, 1978  
Analysis of Water Soluble Paper - Journal of Forensic Science, 1980  
Comparison of Typewritten Carbon Impressions - Journal of Forensic Science, 1982  
Examination of Ball Pen Ink by High Pressure Liquid Chromatography -Journal of Forensic Science, 1982  
Ink Analysis, A Key Element in Questioned Document Examination - Trial, 1983  
A High Performance Liquid Chromatographic (HPLC) Study of Seven Common Explosive Materials - Journal of Forensic Science, 1983  
Finding Fraudulent Documents - Family Advocate, 1989  
Attempted Determination of Authorship by Ball Pen Line Characteristics -Forensic Science International, 1990  
Analysis of Writing Ink - chapter in the book HPLC in Forensic Science, 1982  
Contributions to the book Forensic Ink and Paper Examination by Brunelle and Reed, 1982  
Examination of Gel Pen Ink by Microspectrometry – Journal of the American Society of Questioned Document Examiners, Dec. 2005  
Examination of Gel Pen Ink by Physical and Thin Layer Chromatographic Examination – Journal of the American Society of Questioned Document Examiners, Dec. 2005  
Ph.D Dissertation - Surface Characterization of Polymeric Materials by X-ray Photoelectron Spectroscopy and Time-of-Flight Secondary Ion Mass Spectrometry: Biomedical Materials and Forensic Applications

**HONORS:**

Honorary Assistant Attorney General, State of Alabama  
Treasury Award for Outstanding Performance  
Honorary Member - Southwestern Association of Forensic Document Examiners

**CERTIFICATION:**

Diplomate of the American Board of Criminalistics

**CASES OF NOTE:**

Mormon Will of the late Howard R. Hughes  
Slander trial of CBS, Sixty Minutes and Dan Rather  
Nazi war crimes case of Ivan Demjanjuk  
Sam Shephard murder trial – 2000  
Martha Stewart case
