Alex:

Orin Snyder was originally sent everything the Court Order requested back on October 24/25, 2011. He said during Mr. Stewart's deposition that one of the "Worksheets" I was referring to hadn't been sent to Defendants, so he was given a copy at that time. Thus, the mysterious 2 worksheets. I am sending you via a "YouSendIt" file a copy of every document and image Mr. Stewart has that is responsive to the Gibson Dunn and Court Order requests. He have nothing else. We are providing the two TLC worksheets again (I think for the 3rd time) now.

As information, pgs 13 and 18 of 55 from the file named, "doc083012a.pdf" are the two worksheets. Pg 20 of the same file is a page of handwritten notes describing the sampling of the WFH document. Pgs 21-42 of the same file show "before and after" sampling pictures as well as locations of sampling areas. Mr. Stewart is still maintaining the untested samples in case they are needed.

To date, you have been provided files responsive to the Court Order (10/25/11) along with additional files on 06/13/12 based on their request for new materials. In addition, you were provided files you said you hadn't received at the 07/11/12 deposition (These files were provided on-site at the deposition to you). Next, based on your inference that you hadn't received all of the material requested, I resubmitted the previously provided material on 08/23/12. Due to the continued insistence that you haven't been provided all of the requested the files, today Mr. Stewart photocopied all printed documents responsive to the Court and defendants requests and has provided that to me. I am, in turn, providing that to you along with all of the image files. This has all been previously provided (actually on multiple occasions), but to be certain, we are providing everything again.

Mr. Stewart has nothing else to provide responsive to your requests.

The "YouSendIt" file follows as 3 separate files (due to the size).
