Re: Ceglia v. Zuckerberg and Facebook, Inc., No. 1:10-cv-569 (RJA)

Dear Mr. Boland:

Pursuant to the Court's August 18, 2011 Order, please find enclosed Defendants' production of "all emails between Defendant Zuckerberg and Plaintiff and/or other persons associated with StreetFax that were captured from Zuckerberg's Harvard email account." Doc. No. 117 ¶ 7. These emails were identified in Zuckerberg's Harvard account according to the methodology described in the March 26, 2012 Declaration of Bryan J. Rose (Doc. No. 333), paragraph 5. In accordance with the Order, the enclosed CD, labeled "FB001," contains the emails in electronic form with all available metadata. Note that for clarity's sake, the electronic files are titled with the corresponding bates number(s). Defendants have also enclosed bates-stamped hard copies of these emails for your convenience. The bates range associated with this production is FB000001 to FB000428.

Very truly yours,

Alexander H. Southwell
