Mr. Boland,

As mentioned in today's letter from Alex Southwell, please find attached a TrueCrypt file containing the native format files obtained from Sidley Austin in response to Defendants' subpoena. As also mentioned in the letter, at your request we can forward this email to Mr. Broom, cc'ing you, so that he can review these materials prior to his deposition on Thursday. I will send you a separate email containing the password for the TrueCrypt file shortly.

Regards,

Amanda M. Aycock
