The server Software shall not be simultaneously loaded and operated on more than one hardware platform.

**B. Third Party Software.** If no Third Party EULA is provided, the terms and conditions applicable to the Third Party Software shall be governed by the terms and conditions of this Agreement. The terms and conditions applicable to any Third Party Software will otherwise be governed by the applicable Third Party EULA. In the event of a conflict, the Third Party EULA will take precedence over the terms of this Agreement.

**C. Copies.** Customer may make a reasonable number of machine-readable copies of the Software solely for internal backup or archival purposes. All Intellectual Property Rights notices must be reproduced and included on such copies. Customer shall maintain accurate and up-to-date records of the number and location of all copies of the Software and inform SirsiDynix in writing of such number and location upon request.

**D. License Restrictions.** Customer shall not itself, or through any affiliate, employee, consultant, contractor, agent or other third party: (i) sell, resell, distribute, host, lease, rent, license or sublicense, in whole or in part, the Software, or SirsiDynix's or its licensors' Intellectual Property or Confidential Information; (ii) decipher, decompile, disassemble, reverse assemble, modify, translate, reverse engineer or otherwise attempt to derive source code, algorithms, tags, specifications, architecture, structure or other elements of the Software, including the license keys, in whole or in part, for competitive purposes or otherwise; (iii) allow access to, provide, divulge or make available the Software, Intellectual Property or Confidential Information of SirsiDynix or its licensors to any user other than Customer's employees and independent contractors who have a need to such access and who shall be bound by a nondisclosure agreement with provisions that are at least as restrictive as the terms of this Agreement; provided however that Customer may extend to library users, other libraries, and third party entities online data inquiry access to the Software module provided for that purpose (i.e. public access catalog); (iv) write or develop any derivative software or any other software program based upon the Software, the Intellectual Property or Confidential Information of SirsiDynix or its licensors; (v) modify, adapt, translate or otherwise make any changes to the Software or any part thereof; (vi) use the Software, the Intellectual Property or Confidential Information of SirsiDynix or its licensors to provide processing services to third parties, or otherwise use the Software on a 'service bureau' basis; (vii) disclose or publish, without SirsiDynix's prior written consent, performance or capacity statistics or the results of any benchmark test performed on the Software; or (viii) otherwise use or copy the Software except as expressly permitted herein. **F. Dedicated Servers.** All servers that are part of the System shall be dedicated servers and shall only contain software and content for, and shall only be operated for the purposes of, the System. Customer agrees to report all suspected Errors and questions through its authorized support contact. Reports will include all pertinent information regarding Customer deployment of the Software and the circumstances under which the problem occurred. When submitting a Support service request, the support contact should have a baseline understanding of the problem encountered and the ability to reproduce the problem in order to assist SirsiDynix in diagnosing and triaging the problem.

SirsiDynix is under no obligation to provide Support with respect to: (i) Software that has been altered or modified by anyone other than SirsiDynix; (ii) a release of Software for which Support has been discontinued; (iii) discrepancies that do not significantly impair or affect the operation of the Software; (iv) SirsiDynix Software used on a computer or operating system other than a COE; (v) any violation of the terms and conditions of this Agreement; or (vi) any systems or programs not supplied by SirsiDynix or not covered by the Ordering Form.

Support shall be provided on an annual basis. Following the first anniversary of the initial Support term, and unless the License Period has expired, Support services shall be automatically renewed from year to year unless Customer gives written notice 60 days prior to the end of the initial Support period or any extension thereof, of its intention to terminate the Support service.

During the term of the License Period, in the event that Support Services lapse, a reinstatement fee shall be assessed, equal to 100% of the aggregate Customer support fee that would have been payable during the period of lapse, based on the list price for Support Services at the time of reinstatement. In order to reinstate Support for licenses with products not currently supported by SirsiDynix, Customer must migrate its program licenses to currently available releases.

Support must be ordered for all copies of the SirsiDynix Software and for all elements of the SirsiDynix Software under an Ordering Form, which are used conjunctively by Customer.

Each change order shall specify the change(s) to the services or deliverables, and the effect, if any, on the schedule and on SirsiDynix's compensation, due to the change. SirsiDynix shall not implement a change order unless it is executed by the Parties. In the event of any delay in Customer's performance of any of the obligations set forth herein or any other delays caused by Customer, the milestones and fees set forth in the Ordering Form shall be adjusted as reasonably necessary to account for such delays, in accordance with the provisions of this section 4C.

**D. Estimated Time/Cost Overruns.** This section applies if the Professional Services or Training Services ordered under the Ordering Form are not compensated on a fixed-price (total flat fee) basis, e.g., work compensated on a time and materials basis or under an estimated "cap" with fixed hourly rates. SirsiDynix shall track its progress of the work against the estimated schedule/milestones and the budgeted cost of performance, and provide a written report to Customer of such progress with each invoice. SirsiDynix shall promptly report to Customer at the earliest time it discovers that the time or cost of performance of the Professional Services or Training Services will exceed the estimated time and/or cost authorized in the Ordering Form, and in any event before proceeding with the portion of the Professional Services or Training Services that will cause the estimated time and/or cost to exceed the then-current estimate(s). In such report, SirsiDynix shall explain in reasonable detail the reason(s) for the anticipated time and/or cost overrun and shall estimate the revision in the estimated time and/or estimated costs necessary to complete the work. SirsiDynix shall not perform such additional work or any work performed in excess of any estimated "cap" identified in the Ordering Form, unless the Parties have executed a change order pursuant to section 4C above.

#### 5. HARDWARE.

Risk of loss on all Hardware passes to Customer on SirsiDynix's placement of the Hardware with a common carrier or licensed trucker, which shall constitute delivery to Customer. Thereafter Customer will be responsible for risks of loss or damage, except for loss or damage caused by SirsiDynix in the process of installation. Title to the Hardware shall pass to Customer on SirsiDynix's placement of the Hardware with a common carrier or licensed trucker.

SirsiDynix's personnel performing the Services may be either SirsiDynix employees or contractor personnel, and in either case shall comply with Customer's reasonable rules and regulations while on Customer's premises. Customer agrees to provide SirsiDynix with access to and use of Customer's personnel, facilities and equipment to the extent necessary for SirsiDynix to perform the Services. For installation of the System, Customer shall ensure that SirsiDynix's assigned technical personnel are able to access the System remotely. Customer shall be responsible for providing access through any security measures it deems necessary. SirsiDynix alone shall decide whether access to the System is sufficient for installation purposes. Ordering Forms may set forth additional details regarding SirsiDynix's access to and use of Customer's personnel, facilities and equipment.

**C. Enforcement.** Customer shall ensure that all Users and any third parties comply with the terms and conditions of this Agreement. Customer shall promptly notify SirsiDynix of any suspected or alleged violation of the

To the extent Developed Materials may be included with or embodied in any deliverables delivered to Customer hereunder, SirsiDynix grants Customer, upon full payment of the applicable fees and charges, a personal, irrevocable, nonexclusive, worldwide, royalty-free license to, during the License Period, use, execute, reproduce, display, perform, distribute internally, and prepare for internal use only derivative works based upon the Developed Materials in each case solely in conjunction with the deliverable provided in connection with the Ordering Form. Unless expressly provided otherwise in the Ordering Form, fees paid or payable for Software licenses or Support are not contingent under any circumstances upon the performance of any Professional Services (including implementation services) or Training Services.

**B. Taxes.** Unless otherwise noted, the prices in this Agreement do not include taxes. Customer agrees to pay any taxes, other than those based on SirsiDynix's net income, arising out of this Agreement. If Customer has tax exempt status, Customer agrees to send SirsiDynix a copy of its tax-exempt certificate prior to execution of this Agreement.

Customer agrees to indemnify SirsiDynix from any liability or expense incurred by SirsiDynix as a result of Customer's failure or delay in paying taxes due.

#### 10. CONFIDENTIALITY.

SirsiDynix acknowledges that Customer may be subject to freedom of information legislation and further acknowledges that such legislation may take precedence over the confidentiality provisions of this section as they apply to Customer.

By virtue of this Agreement, the Parties may be exposed to or be provided with certain confidential and proprietary information of the other Party or third parties, including but not limited to information designated as confidential in writing or information which ought to be in good faith considered confidential and proprietary to the disclosing Party ("**Confidential Information**"). Confidential Information of SirsiDynix and/or its licensors includes but is not limited to the terms and conditions (but not the existence) of this Agreement, all trade secrets, software, source code, object code, specifications, as well as results of testing and benchmarking of the Software or other services, product roadmap, data and other information of SirsiDynix and its licensors relating to or embodied in the Software or Documentation. SirsiDynix's placement of a copyright notice on any portion of any Software or any update to such Software will not be construed to mean that such portion has been published and will not derogate from any claim that such portion contains proprietary and confidential information of SirsiDynix.

Except as expressly permitted by law, each Party will protect the other's Confidential Information from unauthorized dissemination and use the same degree of care that each such Party uses to protect its own non-public and confidential information, but in no event less than a reasonable amount of care. Neither Party will use the other's Confidential Information for purposes other than those necessary to directly further the purposes of this Agreement. Neither Party will disclose to third parties the other's Confidential Information without prior written consent of the other Party.

Information shall not be considered Confidential Information to the extent, but only to the extent, that the disclosing Party can establish that such information (i) is or becomes generally known or available to the public through no fault of the receiving Party; (ii) was in the receiving Party's possession before receipt from the disclosing Party; (iii) is lawfully obtained from a third party who has the right to make such disclosure; (iv) has been independently developed by one Party without reference to any Confidential Information of the other; or (v) is required to be disclosed by law provided the receiving Party has promptly notified the disclosing Party of such requirement and allowed the disclosing Party a reasonable time to oppose such requirement.

#### 11. CUSTOMER'S RIGHTS TO PRIVACY.

SaaS Services infringe a third party's intellectual property rights ("Claim"). For purposes of this section, "Intellectual property rights" means any USA patent, registered copyright, trade secret or registered trademark. SirsiDyNix will indemnify Customer against all damages and costs attributable exclusively to such Claim, provided that Customer: (i) promptly gives written notice of the claim to SirsiDyNix; (ii) gives SirsiDyNix sole control of the defense and settlement of the Claim; (iii) provides SirsiDyNix, at SirsiDyNix's expense, with all available information and assistance relating to the Claim and cooperates with SirsiDyNix and its counsel; (iv) does not compromise or settle such Claim; and (v) is not in material breach of any agreement with SirsiDyNix.

SirsiDyNix has no obligation to the extent any Claim results from: (i) Customer having modified the SirsiDyNix Software or SaaS Services or used a release other than a current unaltered release of the SirsiDyNix Software, if such an infringement would have been avoided by the use of a current unaltered release of the SirsiDyNix Software or SaaS Services, or (ii) the combination, operation or use of the SirsiDyNix Software or SaaS Services with software or data not provided under this Agreement.

If it is adjudicated that an infringement of the SirsiDyNix Software or SaaS Service by itself and used in accordance with this Agreement infringes any USA patent, registered copyright, trade secret or registered trademark, SirsiDyNix shall, at its option: (i) procure for Customer the right to continue using the SirsiDyNix Software or the SaaS Service; (ii) replace or modify the SirsiDyNix Software or the SaaS Service so it becomes non-infringing; or (iii) (a) with respect to the SirsiDyNix Software license: remove the SirsiDyNix Software in question and refund its net book value based on a straight-line basis over a five year period commencing on the Go Live Date and (b) with respect to SaaS Services: terminate such Service and refund any prepaid fees for SaaS Services after the date of termination.

This section states SirsiDyNix's entire obligation to Customer and Customer's sole remedy for any claim of infringement.

**13. LIMITATION OF LIABILITY.**

TO THE FULLEST EXTENT PERMITTED BY LAW, SIRSIDYNIX'S TOTAL LIABILITY (INCLUDING ATTORNEYS FEES AWARDED UNDER THIS AGREEMENT) TO CUSTOMER AND ANY THIRD PARTIES UNDER THIS AGREEMENT, EXCLUDING LIABILITY PURSUANT TO SECTION 11 (Indemnification), WILL BE LIMITED TO THE PAYMENTS MADE BY CUSTOMER DURING THE PREVIOUS 12 MONTHS FOR THE PRODUCT OR SERVICE WHICH IS THE SUBJECT MATTER OF THE CLAIM. IN NO EVENT WILL SIRSIDYNIX BE LIABLE TO CUSTOMER FOR ANY INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY PUNITIVE, TREBLE OR CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, LOSS OF BUSINESS, REVENUE, PROFITS, GOODWILL, USE, DATA, OR OTHER ECONOMIC ADVANTAGE), WHETHER BASED ON BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR OTHERWISE, AND WHETHER OR NOT SIRSIDYNIX HAS PREVIOUSLY BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL SIRSIDYNIX BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, (INCLUDING, WITHOUT LIMITATION, LOSS OF BUSINESS, REVENUE, PROFITS, GOODWILL, USE, DATA, OR OTHER ECONOMIC ADVANTAGE) INDIRECT, SPECIAL, EXEMPLARY, PUNITIVE, OR TREBLE DAMAGES ARISING FROM CUSTOMER'S OR ITS USER'S USE OF THE WEBSITES, CONTENT OR DATABASE IN ANY MANNER, INCLUDING WITHOUT LIMITATION ANY CLAIM RELATING TO THEIR USE OR INABILITY TO USE THEM, OR THE ACCURACY OF THEIR CONTENT. NO CLAIM ARISING OUT OF THIS AGREEMENT, REGARDLESS OF FORM, MAY BE BROUGHT MORE THAN THE SHORTER OF TWO YEARS OR THE MINIMUM PERIOD ALLOWED BY LAW AFTER THE CAUSE OF ACTION HAS OCCURRED. THIS SECTION SHALL SURVIVE FAILURE OF ANY EXCLUSIVE REMEDY.

**14. TERM AND TERMINATION.**

**A. Term.** The initial term of this Agreement shall commence upon execution of this Agreement and shall be a minimum of three (3) years.

**B. Termination.** Either Party may terminate this Agreement immediately upon written notice if the other Party commits a non-remediable material breach of this Agreement or if the other Party fails to cure any remediable material breach or provide a written plan of cure acceptable to the non-breaching Party within 30 days of being notified in writing of such breach. Customer acknowledges that its distribution or use of the Software or SaaS Services in violation of this Agreement constitutes a non-remediable material breach. Following termination of this Agreement (for whatever reason), each Party will deliver to the other any property of the other Party in its possession or control in good condition, reasonable wear and tear excepted. Upon SirsiDyNix's request, Customer agrees to certify that it has returned or destroyed all copies of the Software, Developed Materials and Confidential Information and acknowledges that its rights to use the same are relinquished. Neither Party will be liable for any damages arising out of the termination of this Agreement, provided that such termination will not affect any right to recover damages sustained by reason of material breach or any payments owing under the Agreement.

**P. Order of Precedence.** In the event of a conflict between an Ordering Form and this Agreement, this Agreement shall prevail, provided, however, that such standard variable terms such as price, quantity, tax exempt status, payment terms, shipping instructions and the like shall be specified on each Ordering Form. All pre-printed terms of any Purchase Order executed prior to or after this Agreement shall have no effect. In the event of a conflict between the terms of this Agreement and a Third Party EULA, the Third Party EULA will take precedence over the terms of this Agreement in accordance with section 2C.

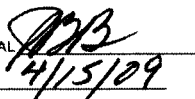

**Q. Third Party Beneficiaries.** All rights and benefits afforded to SirsiDynix under this Agreement shall apply equally to the owner of the Third Party Software with respect to the Third Party Software, and such third party is an intended third party beneficiary of this Agreement, with respect to the Third Party Software.

## SAAS SCHEDULE

This SaaS Schedule is made and entered into this 27 day of April, 2009 ("Effective Date") by and between Sirsi Corporation dba SirsiDynix ("SirsiDynix"), with principal offices at 400 Dynix Drive, Provo, Utah 84604, and CPC Regional ("Customer"), having its offices at 400 Johnson Street, New Bern, NC 28560-4098. Collectively, Customer and SirsiDynix shall be referred to as "Parties" and individually as a "Party."

This SaaS Schedule is hereby made part of and incorporated into the Master Software and License Agreement ("Master Agreement") dated 27 April 2009. All terms used herein and in the Master Agreement, not defined herein, shall have the same meaning as in the Master Agreement. If there is any inconsistency between the terms of this SaaS Schedule and the Master Agreement, the terms of this SaaS Schedule will govern.

### 1. DEFINITION OF TERMS.

"Access Date" means, with respect to SaaS Services, the date upon which both the loading of Customer's library database onto SirsiDynix's database server has been completed and Customer has initial access to the Hosted Application as part of the SaaS Services.

"SaaS Services" means the provision by SirsiDynix of the Hosted Application from a server farm that is comprised of application, data and remote access servers used to store the Hosted Application and Customer Data, telecommunications equipment, and other hardware necessary to provide Customer with access to the Hosted Application.

"Error" means a material failure of Hosted Application to conform to its functional specifications described in the Documentation.

"Go Live Date" means, the date on which Customer is scheduled in the Installation Timetable set forth in the Ordering Form, to begin using the Hosted Application for normal daily business, including searching the public access catalog and circulating materials.

"Hosted Application" means the SirsiDynix Software hosted by SirsiDynix in connection with the provision of SaaS Services.

"Support" means with respect to the SaaS Services, (i) assistance and workarounds for resolving known problems, (ii) Error Corrections if required in the sole judgment of SirsiDynix to enable the applicable Hosted Application to perform substantially in conformity with the Documentation, and (iii) Updates, all of which are provided under SirsiDynix's SaaS service level agreement in effect at the time the SaaS Services are provided.

"Term" means, with respect to SaaS Services orders, the initial period for which the SaaS Services are ordered by Customer, which shall be no less than three (3) years.

"User" means an employee, agent, or contractor of Customer that has been authorized by Customer, and assigned a unique username-password combination, to access and use the SaaS Services.

### 2. SAAS SERVICES.

**A. Services, Term and Renewal.** Starting on the Access Date, during the Term, and as long as Customer is current on its payments of SaaS Services fees (as described in the Ordering Form), SirsiDynix shall provide the SaaS Services listed on the Ordering Form.

SaaS Services shall be automatically renewed unless Customer gives written notice 60 days prior to the end of the initial Term or any extension thereof, of its intention to terminate the SaaS Services.

**B. License Grant.** SirsiDynix grants Customer and its Users the right to access and to use the SaaS Services solely for Customer's business purposes and such access and use is subject to the terms of this Agreement and is expressly limited to the number of Users for which Customer has paid the applicable fees as detailed on the Ordering Form. SirsiDynix further grants Customer a limited, non-exclusive, personal, non-transferable, royalty free license, during the Term to (a) use the Hosted Application solely as part of the SaaS Services in accordance with this Agreement and (b) use the Documentation in connection with such use of the SaaS Services.

**C. Access to Services.** Customer acknowledges that it is solely responsible for obtaining and maintaining at its own expense, all COE needed to access the SaaS Services, including but not limited to computer and telephony equipment, cabling, software, Internet access and other materials at its facility(ies) necessary to access the SaaS Services.

**D. Passwords – Security.** SirsiDynix shall issue to Customer, or shall authorize a Customer administrator to issue, a password for each User. Customer is responsible for maintaining the confidentiality of all passwords and for ensuring that each password is used only by the authorized User. Customer is entirely responsible for any and all activities that occur under Customer's account. Customer agrees to immediately notify SirsiDynix of any unauthorized use of Customer's account (including each password of each user accessing the Services by means of Customer's account) or any other breach of security known to Customer. SirsiDynix shall have no liability for any loss or damage arising from Customer's failure to comply with these requirements. SirsiDynix will maintain Customer passwords as confidential and will not disclose them to third parties.

Customer acknowledges that use of or connection to the Internet provides the opportunity for unauthorized third parties to circumvent security precautions and illegally gain access to the Services and Customer Data. Accordingly, SirsiDynix cannot and does not guaranty the privacy, security or authenticity of any information so transmitted over or stored in any system connected to the Internet.

**E. Limited License Grant by Customer.** Customer agrees that if, in the course of performing the Services, it is necessary or desirable for SirsiDynix to access or use any equipment, software or data then Customer grants to SirsiDynix a non-exclusive, royalty free license, during the Term to use the same solely for the purpose of delivering the Services (including, without limitation and for the avoidance of doubt, Professional Services, Training Services, Support Services, maintenance of the Hosted Applications or preparing for delivery of any such Services). SirsiDynix shall have no right to use the same for any other purpose or at any other time.

**F. Acceptable Use.** Customer acknowledges and agrees that SirsiDynix does not monitor or police the content of communications or data of Customer or its Users transmitted through the Services, and that SirsiDynix shall not be responsible for the content of any such communications or transmissions. Customer agrees: (i) to abide by all local, state, national, and international laws and regulations applicable to Customer's use of the Services, including without limitation all laws regarding the transmission of technical data exported from the United States through the Services; (ii) not knowingly to upload or distribute in any way files that contain viruses, corrupted files, or any other similar software or programs that may damage the operation of the Services or another's computer; (iii) not to use the Services for illegal purposes; (iv) not to interfere or disrupt networks connected to the Services; (v) not to use monitoring, network analysis or security analysis tools against the SirsiDynix Services, Servers, Firewalls and other networks without the express written consent of SirsiDynix, and then only subject to the rules set forth by SirsiDynix; (vi) not to post, promote or transmit through the Services any unlawful or otherwise objectionable material of any kind or nature; (vii) not to interfere with another entity's use and enjoyment of similar services; (viii) not to engage in surveys, contests, or chain letters or post or transmit unsolicited mass distribution of email; (ix) engage in any activities or actions intended to

withhold or cloak Customer's or its users' identity or contact information; (x) not to engage in any activities or actions that infringe or misappropriate the Intellectual Property Rights of others, and (xi) not to engage in actions that interfere with reasonable use by other SirsiDynix Customers; (xii) not to engage in the uploading of files or transmission through Services any licensed content or licensed software of any kind; and (xiii) to comply with all regulations, policies and procedures of networks connected to the Services. SirsiDynix may remove any violating content posted on the Services or transmitted through the Services, without notice to Customer.

**G. Termination of User Access.** SirsiDynix may suspend or terminate any User's access to the SaaS Services upon notice and approval of Customer in the event that SirsiDynix reasonably determines that such User has violated the terms and conditions of this Agreement

### 3. SAAS SUPPORT.

Support for SaaS Services shall be provided by SirsiDynix during the Term at no additional charge so long as Customer is current in the payment of the SaaS Services fees. Support will be provided in accordance with SirsiDynix's Support Policies as applicable for SaaS Services, a current version of which can be found at <http://clients.sirsi.com/index.php?section=knowledge&id=1&doc=462>. Support of any nature rendered by SirsiDynix hereunder shall be limited to the SaaS Services and shall be contingent upon the proper use of such Services by Customer. It is acknowledged and understood that Support is not intended to supplant Customer's day-to-day operation of its library automation processes or of its duty to provide supervision, control, and management of the use of the SaaS Services. SirsiDynix is under no obligation to resolve problems caused by products for which Customer has not entered into an agreement with SirsiDynix covering such products. Customer requests to SirsiDynix to restore all or part of its SaaS Services due to Customer error or intentional misuse of the SaaS Services will be billed at SirsiDynix's then-current hourly rate.

### 4. WARRANTY; DISCLAIMER.

**A. Warranty.** SirsiDynix warrants the SaaS Services will be performed in a workmanlike manner consistent with industry standards reasonably applicable to the performance of such services and that the Hosted Application will operate in all material respects in conformity with the Documentation.

**B. Remedies.** If the Hosted Application does not perform as warranted, SirsiDynix shall use commercially reasonable efforts to correct Errors. As Customer's exclusive remedy for any claim under this warranty, Customer shall promptly notify SirsiDynix in writing of its claim. Provided that such claim is determined by SirsiDynix to be SirsiDynix's responsibility, SirsiDynix shall, within 30 days of its receipt of Customer's written notice, (i) correct such Error; (ii) provide Customer with a plan reasonably acceptable to Customer for correcting the Error; or (iii) if neither (i) nor (ii) can be accomplished with reasonable commercial efforts from SirsiDynix, then SirsiDynix or Customer may terminate this Agreement, and Customer will be entitled to an equitable adjustment in the fees paid for the SaaS Services at SirsiDynix's discretion. In no event will the adjustment in SaaS Services fees exceed the amount of unused prepaid fees paid by Customer to SirsiDynix. The preceding warranty cure shall constitute SirsiDynix's entire liability and Customer's exclusive remedy for cure of the warranty set forth herein. If Customer elects not to terminate the SaaS Services, Customer waives all rights for the applicable warranty cure set forth herein.

Customer's exclusive remedy, and SirsiDynix's entire liability, for a breach of the services warranty shall be an equitable adjustment in the fees paid for the SaaS Services, but in no event will the adjustment exceed the amount of unused prepaid fees paid by Customer to SirsiDynix. The preceding warranty cure shall constitute SirsiDynix's

entire liability and Customer's exclusive remedy for cure of the warranty set forth herein.

**C. Exclusions.** SirsiDynix is not responsible for any claimed breach of any warranty set forth in section 4A caused by: (i) modifications made to the SaaS Services (including the Hosted Application) by anyone other than SirsiDynix; (ii) the combination, operation or use of the SaaS Services with any items not supplied by SirsiDynix to Customer; (iii) SirsiDynix's adherence to Customer's specifications or instructions; or (iv) Customer deviating from the Hosted Application operating procedures described in the Documentation.

**D. Disclaimer.** THE WARRANTY SET FORTH IN SECTION 4A OF THIS SCHEDULE IS IN LIEU OF, AND SIRSIDYNIX, ITS LICENSORS AND SUPPLIERS EXPRESSLY DISCLAIM TO THE MAXIMUM EXTENT PERMITTED BY LAW, ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, ORAL OR WRITTEN, INCLUDING, WITHOUT LIMITATION, (i) ANY WARRANTY THAT THE SAAS SERVICES ARE ERROR-FREE OR WILL OPERATE WITHOUT INTERRUPTION OR THAT ALL ERRORS WILL BE CORRECTED; (ii) ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT, AND (iii) ANY AND ALL IMPLIED WARRANTIES ARISING FROM STATUTE, COURSE OF DEALING, COURSE OF PERFORMANCE OR USAGE OF TRADE. NO ADVICE, STATEMENT OR INFORMATION GIVEN BY SIRSIDYNIX, ITS AFFILIATES, CONTRACTORS OR EMPLOYEES SHALL CREATE OR CHANGE ANY WARRANTY PROVIDED HEREIN.

### 5. INDEMNIFICATION.

SirsiDynix acknowledges that Customer may be subject to legislation prohibiting it from agreeing to indemnify SirsiDynix and acknowledges that such legislation would take precedence over the indemnification provisions of this section.

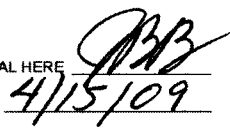

To the extent allowed by law, Customer shall defend or settle, at its option and expense, any action, suit or proceeding brought against SirsiDynix arising out of or in connection with any third-party claim that: (i) a third party has suffered injury, damage or loss resulting from Customer's or any User's use of the SaaS Services (other than any claim for which SirsiDynix is responsible under the section entitled Indemnification in the Master Agreement); or (ii) Customer or any User has used the SaaS Services in a manner that violates this Agreement. Customer's obligations under this section are contingent upon: (i) SirsiDynix providing Customer with prompt written notice of such claim; (ii) SirsiDynix providing reasonable cooperation to Customer, at Customer's expense, in the defense and settlement of such claim; and (iii) Customer having sole authority to defend or settle such claim.

### 6. LIMITATION OF LIABILITY.

CUSTOMER ASSUMES SOLE RESPONSIBILITY AND LIABILITY FOR RESULTS OBTAINED FROM THE USE OF THE SAAS SERVICES AND FOR CONCLUSIONS DRAWN FROM SUCH USE. SIRSIDYNIX SHALL HAVE NO LIABILITY FOR ANY CLAIMS, LOSSES, OR DAMAGE CAUSED BY ERRORS OR OMISSIONS IN ANY INFORMATION PROVIDED TO SIRSIDYNIX BY CUSTOMER IN CONNECTION WITH THE SAAS SERVICES OR ANY ACTIONS TAKEN BY SIRSIDYNIX AT CUSTOMER'S DIRECTION. SIRSIDYNIX SHALL HAVE NO LIABILITY FOR ANY CLAIMS, LOSSES OR DAMAGES ARISING OUT OF OR IN CONNECTION WITH CUSTOMER'S OR ANY USER'S USE OF ANY THIRD-PARTY PRODUCTS, SERVICES, SOFTWARE OR WEB SITES THAT ARE ACCESSED VIA LINKS FROM WITHIN THE SAAS SERVICES.

I authorize SirsiDynix to extract all databases, policies and configuration information as required by SirsiDynix for the project. I authorize the transfer of this information to SirsiDynix computers for the purposes of evaluation, conversion, and/or import into the SirsiDynix product. I understand that all data information will only be revealed to agents, suppliers, and subcontractors of SirsiDynix. I understand that no data information will be published to other Customers of SirsiDynix or any unassociated resource without my consent.

While connected to your server, SirsiDynix staff will execute a suite of programs which reads your current databases and creates a text file on your server containing the data in a flat ASCII format. One file is created for each data type to be extracted and/or loaded into your new ILS system. These programs are executed with the lowest possible priority in order avoid interruption with your daily activities. These executables can be run while your current ILS is in operation. Please add notes to the bottom of this form if there are disk drivers or file systems that SirsiDynix staff should use or avoid.

This authorization shall be in force for the duration of the project. I understand that I have the right to revoke this authorization, in writing, at any time by sending such written notification to my SirsiDynix Project Manager Representative. I understand that SirsiDynix's liability in any matter relating to this project will be limited to the payments made by my organization during the previous 12 months for the product or service which is the subject matter of the claim, and any such liability shall exclude any indirect, special, incidental, exemplary punitive, treble, or consequential damages.
