SCHEDULE 2
AUTHORIZATION FOR RELEASE OF DATA INFORMATION

SirsiDynix

Authorization for Release of Data Information

I, the owning hardware administrator, hereby authorize Sirsi Corporation d/b/a SirsiDynix, with principal offices at 400 West Dynix Drive, Provo, Utah 84604 ("SirsiDynix") and its agents, suppliers, and its subcontractors, to connect and access the current Integrated Library System (ILS) and associated hardware servers. I authorize SirsiDynix to extract all databases, policies and configuration information as required by SirsiDynix for the project. I authorize the transfer of this information to SirsiDynix computers for the purposes of evaluation, conversion, and/or import into the SirsiDynix product. I understand that all data information will only be revealed to agents, suppliers, and subcontractors of SirsiDynix. I understand that no data information will be published to other Customers of SirsiDynix or any unassociated resource without my consent.

While connected to your server, SirsiDynix staff will execute a suite of programs which reads your current databases and creates a text file on your server containing the data in a flat ASCII format. One file is created for each data type to be extracted and/or loaded into your new ILS system. These programs are executed with the lowest possible priority in order avoid interruption with your daily activities. These executables can be run while your current ILS is in operation. Please add notes to the bottom of this form if there are disk drivers or file systems that SirsiDynix staff should use or avoid.

This authorization shall be in force for the duration of the project. I understand that I have the right to revoke this authorization, in writing, at any time by sending such written notification to my SirsiDynix Project Manager Representative. I understand that SirsiDynix's liability in any matter relating to this project will be limited to the payments made by my organization during the previous 12 months for the product or service which is the subject matter of the claim, and any such liability shall exclude any indirect, special, incidental, exemplary punitive, treble, or consequential damages. I understand that SirsiDynix warrants only that the service shall be performed in a workmanlike manner consistent with industry standards reasonably applicable to the performance of such services, which does not mean that the service shall be error free. I understand that SirsiDynix is not responsible for any loss caused by: 1) modifications made to the System by anyone other than SirsiDynix, 2) the combination, operation or use of the System components with any items not supplied by SirsiDynix to Customer, 3) my organization's failure to use any new or corrected versions of the System components made available by SirsiDynix, 4) SirsiDynix's adherence to my organization's specifications or instructions, 5) any deviation by my organization from the SirsiDynix Software operating procedures. I understand that declining access to my current ILS system will cause information loss in the migration to the SirsiDynix ILS product. I understand that SirsiDynix cannot be held liable for the information loss.
