# Lulu Calendars

Lulu's calendars are fully customizable. A user can create calendars from three to 24 months beginning with the start date of their choice. Users can also use the pre-defined event list to mark common holidays or create their own event list with holidays, birthdays, anniversaries or team schedules. All calendars are full-color and spiral bound and offered as standard (8.5" x 11") or premium (13.5" x 22") sizes. Premium calendars are available on heavy gloss paper or linen finish.

# Lulu Digital Media

Lulu empowers creators to profit from digital media, ebooks and downloads. Creators set their own royalties and earn a profit as items are sold or downloaded.

eBooks are perfect for custom-sized documents or content you only want to distribute digitally and immediately. Lulu accepts most file formats for uploads making this a turnkey solution to publishing all content.

Lulu can publish any of the following digital mediums.

- Music
- Images
- CDs & DVDs
- eBooks
- Software

Create, buy, sell and control digital content on demand.
