LuLu's Restaurant & Cocktails in the Fashion Mall Commons on 86th Street, Indianapolis, has long been known as a hot spot for cocktails, live entertainment and socializing, but word is getting out that Executive Chef, Christopher McClary, is preparing some of the best Innovative American Cuisine around. LuLu's offers an upscale dining experience, featuring steaks, seafood, pasta, veal, chicken and lamb for lunch and dinner. Business professionals relish in LuLu's efficient, yet relaxing lunch service, while local celebrities and party goers enjoy live nightly entertainment and extensive wine and martini selections. A place to truly relax and unwind, LuLu's Restaurant & Cocktails provides something for everyone.

Owner, John Wade, attributes much of LuLu's success to his staff. "The people who work here are entertainers. We have a fire-breathing bartender and the state's number one ranked magician. We like our staff to have as much fun as our patrons."

In addition to the eclectic dining room, LuLu's offers a separate VIP area and banquet facilities to accommodate private gatherings or large parties. LuLu's is often host to special events, such as wine dinners, receptions and corporate functions. Evenings will find a mix of Rolls Royce's, Mercedes and BMWs parked out front and a wide mix of people inside enjoying dinner and live entertainment.

"You never know what you're going to see", Wade says. "It's never going to be dull or boring, which keeps LuLu's hip after eight years."

Lulu's Restaurant is located at 8487 Union Chapel Rd, Fashion Mall Commons in Indianapolis, Indiana.

GEOMETRY CLASS

With stripes, dots and squares, designers are modernizing the acid look.

Like the Brooklynite, a New York City-based female designer and denim store pioneer, Swartzberg looks for the geometric patterns on her travels through Cuba, Morocco, Italy and India. She wanted all the napkins shown here for her film club six months, including "Labyrinth" (one that ran out with beige lines (50) each, the 11.50 each, the colorful maroon "Sun signs" (100) for a set of sun sets on a "Mata Tosters" accent plate by 1980s artist for dinner (100, 500-4,200) and a "Mangobloss" white dinner plate by Stefano (each from the 1980s) (50) 400-004-0000.
