

welcome to mumu.com

Page 1 of 1

Welcome to **mumu.com**,
Natalie and Ray's home away
from home on the web.

mumu.com is the place to
tune into the creative
projects (old and new) that
keep us sane in a sometimes
crazy world. Mostly this stuff
is just for fun - pictures we
took, music we made, things
like that.

If the music is bugging you
(you do hear music don't
you?) just use the controller
below to adjust it. If you
don't hear any music, then
you need to install
Quicktime. Its pretty cool
(and its also free) so go get
it.

Anyway, hope you enjoy
your time at **mumu.com**.
Thanks for stopping by.
