## No Chance.

Today after cutting down a few trees (manly, I know) I went for a ride up Palomar Mountain.

This was probably one of the best rides I've had. I'm still trying to drag my knee around turns. Well, this was my first outing trying to anyway. Even though I have years of motorcycle experience I've only recently bought a full leather suit. So, it's going to take some time before I can lay my knee down while riding. 😊

The reason for the title? I was riding back towards Ramona on Old Julian Hwy and I slaughtered a bird. It flew right into my face. There was blood EVERYWHERE! I just spent the last 30 minutes scrubbing the blood off my jacket, pants and motorcycle. I was running about 120mph, hence the bird no chance. I feel bad. But I'm not dead so I don't feel too bad. But I wouldn't feel bad if I was dead. Think about it.
