Kadoo is coming soon

Page 1 of 1

## Why Kadoo?

These days, people are putting more and more of their world online. If you're like us, you want a fast, easy way to store all your personal content - and you want it organized and shared according to your needs. But until now, you've probably relied on a host of different sites to post photos and blogs, send e-mail, and develop community. And accessing different sites means remembering different logins, passwords, and user interfaces. Wouldn't it be nice if one site could do it all?

## What is Kadoo?

Kadoo puts you at the center of your own online universe, and helps you connect to everyone else's. There's a place for your photos, files, bookmarks, videos, and music - and our tools let you select a unique level of privacy for each new addition. Keep in touch with your friends through your own Website, blog, and e-mail address - and personalize it all with your own custom look. It's all simple, and it's all here under one roof. So go ahead - get comfortable; get connected; get Kadoo.

## How do I get Kadoo?

The Kadoo preview is currently accessible by invitation only, but if you want to be the first to try Kadoo, fill in your address below - we'll let you know as soon as it's ready.
