CONSENT ORDER ON DISCOVERY

THIS CAUSE came on for hearing before the undersigned, with the consent of the parties, through counsel, who represented to the Court as follows:

1. On June 4, 2010 Defendant served on Plaintiff, by first class mail pursuant to Rule 5, Interrogatories pursuant to Rule 33 and Request for Production pursuant to Rule 34;
2. As of the time of this Consent Order, Plaintiff has served no response to either the Interrogatories or the Request for Production; and
3. The parties have agreed that Plaintiff may have through and including August 10, 2010 to serve full and complete answers, without objection, to Defendant's Interrogatories and to produce, without objection, the documents requested by Defendant's Request for Production.

NOW, THEREFORE, it is hereby **ORDERED**, with the consent of the parties, that Plaintiff shall serve full and complete answers, without objection, to Defendant's Interrogatories and shall produce, without objection, the documents requested by Defendant's Request for Production on or before August 10, 2010.

Counsel should note that, pursuant to Rule 29 of the Federal Rules of Civil Procedure, stipulations for extensions of time for responses to discovery provided in Rules 33, 34 and 36 do not need court approval as long as the extensions do not interfere with any time set for completion of discovery or with a hearing or trial.

This ~~21st~~ day of July, 2010.
