**ORDER**

This matter is before the court on defendants' motions for reconsideration and to seal. Upon careful and considered review of the motion for reconsideration, the court finds no basis to amend its May 8, 2014, order. Notably, defendants' motion lacks any new law or factual developments, but simply asks the court to re-review the same evidence and arguments made previously. Therefore, defendants' motion for reconsideration is DENIED [DE #259]. For good cause shown, the motion to seal is ALLOWED, and corresponding documents shall be sealed [DE #263].

This 8<sup>TH</sup> day of September 2014.
