Judge of the United States District Court

\* It is the court's understanding that the parties seek Magistrate Judge Jones to conduct the court-hosted settlement conference, while not evidenced on the face of the motion. Said magistrate judge was referred a motion to dismiss June 17, 2014, for consideration of a Memorandum and Recommendation, which remains pending. In order to promote the most effective conference, the court withdraws from the magistrate judge the motion. In the event the case is not resolved at court-hosted settlement conference, the clerk shall refer the motion directly to the undersigned.
