ORDER

This matter comes before the court on plaintiff’s motions (DE 126, 128) for extension of time to file memorandum in support of her motion for new trial or in the alternative to alter or amend judgment, as well as plaintiff’s motion for protective order or in the alternative for sanctions (DE 129). For good cause shown, plaintiff’s motion for extension is ALLOWED and plaintiff has until **October 24, 2018**, to file a memorandum in support of her motion for new trial or in the alternative to alter or amend judgment (DE 125). However, plaintiff has not demonstrated a basis for protective order or for sanctions upon the record in this case. Accordingly, plaintiff’s motion for protective order or in the alternative for sanctions is DENIED.

SO ORDERED, this the 3rd day of October, 2018.
