ORDER

This cause comes before the Court following the filing of a status report by plaintiff. [DE 48]. Plaintiff requests that this matter be held in abeyance in the near term and that it be ordered to provide an update to the Court not later than December 1, 2021 on the status of the issuance of FERC’s final supplemental Environmental Impact Statement. Plaintiff further requests that it be permitted to update the Court every sixty days thereafter on the status of FERC’s issuance of an order amending plaintiff’s Certificate of Public Necessity and Convenience to allow plaintiff to engage in restoration and reclamation work related to the cancellation of the pipeline project. Plaintiff further requests that it be permitted to notify the Court within ten days of FERC’s issuance of its order and to update the Court regarding how plaintiff believes this case should proceed to disposition.

For good cause shown, and without opposition, plaintiff’s request is ALLOWED. This matter is hereby STAYED. Plaintiff is directed to file a status report not later than December 1, 2021, and to provide additional status updates as needed every sixty (60) days thereafter. Plaintiff shall further notify the Court within ten (10) days of FERC’s entry of an order amending plaintiff’s

Certificate of Public Necessity and Convenience and provide an update as to how plaintiff believes this case should proceed to disposition.

SO ORDERED, this 26 day of August, 2021.

TERRENCE W. BOYLE
UNITED STATES DISTRICT JUDGE
