ORDER

This matter is before the court on Plaintiff’s unopposed motion to seal portions of Defendant’s Appeal of Order Denying Defendant’s Second, Sixth, Seventh, and Eighth Motions to Compel Discovery and Plaintiff’s Response thereto. Plaintiff seeks to seal this information on the ground the filings “contain or reference sensitive business and technical information concerning Syngenta’s strategies on generic competition, its patent portfolio, and evaluating potential illegal azoxystrobin product and potential infringement of an enforcement of its intellectual property.” (Mot. Seal [DE #378] at 1.) Plaintiff has filed proposed redacted versions of the filings, omitting the portions it contends should not be available to the public.

For the reasons set forth in Plaintiff’s motion and supporting memorandum, the court finds that the public’s common law right of access is outweighed by Plaintiff’s interests in protecting against competitive and/or financial harm to Plaintiff were such information made public. *In re Knight Publ’g Co.*, 743 F.2d 231 (4th Cir. 1984). Public notice of Plaintiff’s request to seal and a reasonable

opportunity to object have been provided by the filing of its motion, and no objections have been filed with the court. Plaintiff has narrowly tailored its request to remove only information that is sensitive and confidential and not otherwise publicly known. Plaintiff's motion is therefore allowed.

CONCLUSION

For the foregoing reasons, Plaintiff's Motion to Seal [DE #378] is GRANTED and it is ORDERED that Defendant's Appeal of Order Denying Defendant's Second, Sixth, Seventh, and Eighth Motions to Compel Discovery [DE #367] and Plaintiff's Response thereto [DE #377] be SEALED. Redacted versions of these filings are available to the public on the court's docket at DE ##379-3 and 379-4.

This 10th day of January 2022.
