Pending before the court are a number of motions. The court’s rulings follow.

- (1) Defendant’s motion in limine to exclude or limit the expert testimony of Dr. Thomas Hubbard (DE # 360); defendant’s motion in limine to exclude or limit the expert testimony of Jeffery Thomberlin, Ph.D. (DE # 364); and plaintiffs’ omnibus motion in limine to exclude or limit defense experts’ opinions at trial (DE # 406): Pursuant to the text order entered 30 January 2019, the parties did not notify the court of their intent to call as a witness any of the persons identified in these motions in limine, and therefore, the court did not dispose of the motions during trial. The motions are DENIED as moot.
- (2) Defendant’s motion requesting use of special interrogatories and verdict form (DE # 562): At trial, the court declined to use defendant’s proposed verdict form, to which this motion relates. Therefore, the motion is

DENIED.
