Re: **Evans et al. v. City of Durham et al., No. 1:07cv739**

Dear Mr. Emery,

We are writing to request that you provide the City of Durham with information concerning your client, Mr. Reade Seligmann's efforts to preserve the electronically stored information ("ESI") outlined in the City of Durham's September 26, 2007 letter. We understand that you have been copied on the correspondence between the City and the attorneys for Messrs. Evans and Finnerty, including the City's letter of this day describing its own ESI. We would request that you provide, within the next several weeks, a letter similar to Mr. Davant's May 7, 2008 correspondence that would outline the types of ESI in the possession of your client, his attorneys and agents. Thank you for your prompt attention to this matter.

Sincerely,

Ana H. Voss
