(Taken by Defendants)

Durham, North Carolina

Reported in Stenotype by

Transcript produced by computer-aided transcription

1 time to review every single piece of -- you know,  
2 every single document related to the -- you know, not  
3 just the Judicial Board process, but the university  
4 policies.

5 Even though, I mean, I've been provided,  
6 but, as I said, I've -- I've been in a training  
7 program. I was trying to do this deposition in June  
8 when I was done, but I've been living in a barracks  
9 for a month without Internet access or phone  
10 reception, so -- and I got married last week, for the  
11 record. I've said it before, I'm sorry.

12 But I just wish I -- I could have. I --  
13 from -- from the extent of my knowledge, I mean, those  
14 are just a few I'm listing, and I wish we could  
15 just -- I mean, if I had more time to -- to review  
16 everything with counsel, obviously, I could bring up  
17 more specific incidents -- more specific grounds --

18 BY MR. SEGARS

19 Q. Just sitting here today, though, unaided by  
20 anything else, can you tell me any other things that  
21 you think were breaches of contract?

22 MS. SMITH: I mean -- objection.

23 To the extent that that is calling for work  
24 product and opinion from counsel, things that we have  
25 discussed, I'd instruct you not to answer.
