In the Motion to Compel [DE 297] that you filed on September 22, you note that “Duke has redacted from documents significant portions without identifying the nature of what has been redacted or why.” We are treating that statement as a request for a log describing the nature of the redacted information as provided in paragraph 8 of the Protective Order on Confidentiality [DE 284] entered by the Court on July 24, 2012. Please find that log attached.
