Jeremy,

The billing records for Matthew Wilson and John Ryan McFadyen were mailed to you yesterday. When I'm back at my computer later on today/tonight, I can email you what was mailed to you.

As for Breck Archer, after some research the past week we were able to find out that the reason we've had so much difficulty getting in touch with Breck the past couple of months is because he has been deployed to some type of intense training on Mount Fuji in Japan. While he is there, he has no access to internet, etc. We understand that Breck will be returning to his home station in Okinoa this month. At that time, we will finally be able to communicate and coordinate with Breck.

If you want to meet and confer about Breck's affidavit, I'm available at 3pm tomorrow.

Best,

Stefanie

Stefanie,

Will we be receiving the Breck Archer affidavit and the attorney billing records for Ryan McFadyen and Matt Wilson today?

If not, please let me know your availability tomorrow or Thursday for a meet and confer.

Thanks,  
Jeremy
