

adopted [Doc. # 25].

Plaintiff has not provided any specific reasons in support of his argument that the documents he has filed should be sealed, stating only that the documents are "privileged and confidential." [Doc. # 28 at 1]. Thus, Plaintiff has failed to show that his interest in privacy overcomes either the common law or First Amendment presumption to access, or that no alternative exists to sealing his submissions to the court, and his Motion to Seal will be denied.

For the foregoing reasons, the recommendation of the United States Magistrate Judge is ADOPTED; therefore, Defendant's Motion to Dismiss [Doc. # 13] is GRANTED. Plaintiff's Motion for Entry of Default [Doc. # 21] and for Default Judgment [Doc. # 18] are DENIED. Plaintiff's Motion to Seal [Doc. # 28] is DENIED.

This the 16th day of September, 2013.
