Give Your Message a Spine with "Hardback Memo Pads":

Normal memo pads are fine, but a lot of those other pads just aren't tough enough for the cutthroat business world. That's why you need the Hardback Memo Pad, featuring custom cuts and colors this item is a great place to keep your messages and keep them safe.

4501

"Rectangle Paper Cube" Puts Your Ideas Outside the Box:

Sure, regular square reminder tabs are fine for everyday use, but sometimes you need something more for those detailed messages. This is where the Rectangle Paper Cube rolls in. The large design allows for further customization of your print and shape, as well as a wide space for information. Use plain paper or take the adhesive option to make your ideas stick.

 **World Tailored**

Make your rectangle a semi, school bus or even a freight train with World Tailored.

4999

Prime "Paper Cubes" are Perfect, Plain and Simple:

For some things, you can beat a simple design. This product is everything you need with no distracting or complicated bells and whistles. An attractive paper cube provided with or without adhesive to that sticky quality your message may needs. Your image is printed on the side or the convenient holding box that keeps your papers in order.

4510

"Mini-Jotter" Makes Life Easy on the Move:

Perfect for the reporter or the businessman on the go these Mini Jotters are the perfect pad to put inside your pocket. The hardback cover keeps your notes safe while your customized 4c graphic is handsomely printed on the front.

new 4850

World Tailored
Keep your memos in a heart-shaped box thanks to World Tailored custom options.

new 4800

"Memo Card Box" Manages Your Messages:

No, it's not a candy dish, but it could be. It's the Memo Card Box from Market Street Press this hard stock flip-top box is ideal for keeping your messages organized and safe. Customize it or use it as a promotional item with a personal 4c graphic printed on the top cover. Keep it covered with this item.

"Memo Pads" Enhance Your Memory:

The pad for the business without much paper to burn, these simple pads are perfect for prescriptions, phone messages and any ideas that may pop into your head. Print the cover and insets with your own personal message to remind people of your product.

new 4009

"Puzzle Rectangle" Widens Your Audience:

Each variety of our popular puzzle cubes fold in their own unique way and our Rectangle variant is no different. The longer length means a larger graphical space and a unique fold design sure to entertain while displaying your message in a space efficient manner.

new 4004
Cube

"Puzzle Cube" Clicks with Customers:

This product is an ideal way to make the most of your money, a small puzzle cube opens and folds to reveal 9-12 custom graphics morphing and coming together to form a larger image or story. Children and clients go nuts as these cubes click and clack together while being solved. A great way to make a compact presentation for a big message.

new 6025

Trust Your Identity on the Line with "Badge Holders":

When you are putting your business on the line make sure you can pull it back with these retractable business card connectors. Able to attach to any keychain or belt loop, these products are ideal for business cards, ID cards, rewards or whatever badge you might need to flash.

new 6090

"USB Keychains" Open Doors to Data Sharing:

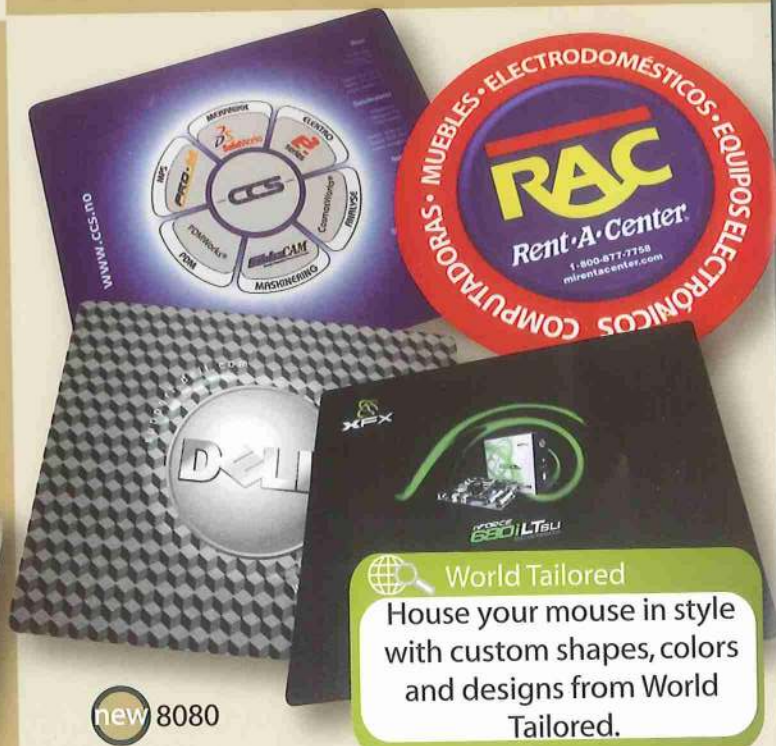

Let's face it, CDs are not a practical way to store and move information, diskettes are outdated and small at that and who do you know that has a zip-drive? With a custom made USB keychain you can keep important data on you at all times and share it on the fly. Give your customers a product that they'll be sure to use with your own shape design and image.

5300

"Mobile Phone Holders" Ring a Bell With Customers:

You need to have your phone on your desk but out of the way. With these mobile phone holders you can keep your phone at arm's reach without cluttering your work space. Ideal for speakerphone usage and hands free calling, with these holders the customer will have your product on the brain, no matter who's on the line.

new 8080

World Tailored
House your mouse in style with custom shapes, colors and designs from World Tailored.

Move Your Message with custom "Mouse Pads":

Keep your mouse in style with these completely customizable high quality mouse pads from Market Street Press. Available in any shape or 4c graphic you can imagine these pads are the perfect way to keep your message under someone's thumb, or their whole hand for that matter.

new 4003

"Banner Bug" Makes for Bold Display:

Looking for a banner stand that combines eye-catching promotion, easy setup and convenient storage? Then the Banner Bug is the display for you. This lightweight easy-to-use retractable stand makes changing graphics a snap and storing them even easier thanks to it's innovative base compartment. When you're finished, throw it all in the base, pack it up inside the included nylon carrying bag and move on to wherever your message needs to be.

World Tailored
Turn your top light into a black light for your subliminal message on your banner stand with World Tailored.

33.5 in. • 4060

"Retractable Banner" is a Cost-Effective Classic:

You can always rely on the classic retractable banner stand, and we made it more reliable with it's all-metal construction and reinforced side plates to make a display as strong as the message you need to present. Cost-effective and built to last, this could be the only banner stand you'll ever need. If you need to shine a little more light on your product, add our optional top mounted light to brighten up your display.

new 4058

new 4057

"Tri and Quad Towers" Dwarf Competitors:

If you're looking for the promotional tool to set yourself above the rest, the Tri and Quad Towers will take you there. Towering of the competition these banner displays project your image on each side for a message that's near impossible to ignore. The telescoping center pole allows for you to adjust the height to your specific graphic. No hassle set-up without tools makes this product easy on the hands and the wallet.

new 4050

"AutoScroller Banner Stand" Motion Message Moves Products:

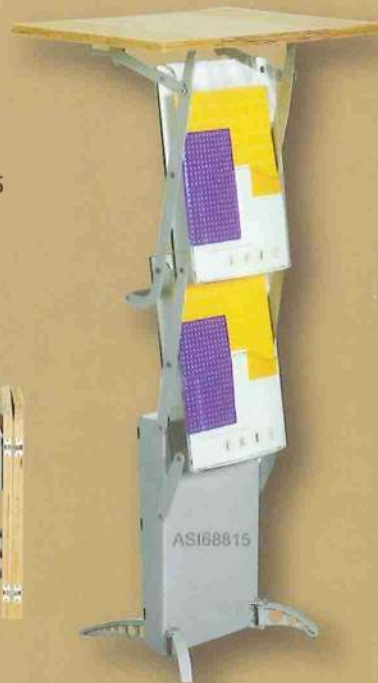

The AutoScroller Banner Stand is the perfect item for the message you want to move your audience. Featuring a sturdy aluminum base for a lightweight product that's easy to set up and remove and energy efficient. Place in high traffic areas where impact is essential.

new 4059

"Pop Up Towers" Take Products to New Heights:

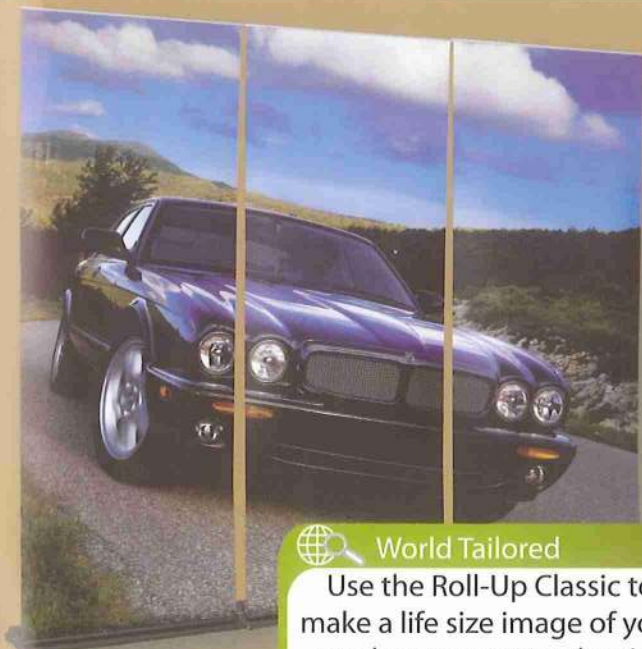

You don't have to put your product on a pedestal, but you sure can promote it with one. This eye-catching Pop-Up Tower is an ideal kiosk perfect for a point-of-purchase display. Set-Up takes only seconds thanks to its engineered aluminum frame. Light up the eyes of your customers with the optional halogen lamps.

new 4055

"Table Zips" Make for Tip Top Tools:

Turn the tables in your favor with the versatile Table Zip. This product sets up instantly to create a fold out work desk or display counter. The attached brochure pockets make it ideal for trade shows, seminars and point-of-purchase. When you're done the unit folds down into a compact package ready to go, just don't stick any gum under the desk.

new 4056

 **World Tailored**
Use the Roll-Up Classic to make a life size image of your product, no matter the size thanks to World Tailored.

"Roll-Up Classic" is Elegant and Efficient:

Displaying your product is easy and elegant with the Roll-Up Classic Banner Stand. Innovative design featuring a hinged base-lid makes changing graphics a breeze. Worried that this bold display is too heavy for practical use? Fear not because this product is now 20% lighter and is available in a sleek black or silver finish. What better way to advertise than with a display as attractive as your product?

new 4020

Have "Poseidon" Lend it's Power to your Promotion:

Simple, bold and straight to the point the Poseidon free-standing banner is a great way to spread out your message. The simplistic metal frame makes it cost-effective and durable, and it's adjustable telescoping rods make it convenient and practical for your purpose. On the side of the road or in the halls this banner is a sure fire way to make your message known.

new MSP9209

"Clear Back Kiosk" Illuminates Your Product:

So you love the functionality and design of our flat-face kiosks, but you require something a little sharper, a little more noticeable. We took that into account when we designed our clear backed kiosk. Featuring a solid clear frame that illuminates from the bottom up this stunning kiosk center will definitely catch more than a few looks, and the simple graphic interface combined with the touch screen display make it accessible to everyone.

new MSP9206

Let the "Flat Face Kiosk" Enlighten Your Audience:

It resembles a stealth fighter, but that doesn't mean people won't be able to see this kiosk from Market Street Press. With a sleek and sexy design this product looks great in any setting. Featuring a built-in flat-screen monitor, video camera and touch screen capabilities, this kiosk is the perfect way to grab your customers' attention.

new MSP9207

Impress Your Customers with this "Top Shelf Kiosk":

Everything you love about the 9206 Kiosk with a little extra on the side, literally. This deluxe model features a shelf perfect for holding a keyboard or mouse, or whatever you need to keep in front of prospective customers.

World Tailored

Need a custom color job for your kiosk? Let us sweat the details with World Tailored.

new MSP9301

"Graphic Kiosks" Get the Job Done:

Sometimes bigger is better, especially in the world of promotion. Go and go home with the Graphic Kiosk Booth from Market Street Press. This sturdy wood kiosk is designed with large areas where you can slap your company's graphics. Underneath the counter is a large storage space perfect for files, cables and repair tools. Add that to the broad counter top and you have a convenient kiosk ideal for a trade show or point-of-sale environment.
