CIVIL ACTION 1:07-CV-231

**U.S. DISTRICT COURT
W. DIST. OF N.C.**

Plaintiff |

Eforce Media, Inc., et als |

MOTION TO RECONSIDER

RULE 59-FRCP

The Court entered an order on July 19, 2007, stating, basically, that because one Defendant in this action had filed an answer to the complaint, that ALL Defendants were then given free rein to be excused from Rule 41, after the Plaintiff filed his Dismissal without prejudice.

This is neither the meaning nor the character of Rule 41.

Rule 41 points out to an adverse party filing an answer or motion for summary judgment. The Court is correct in regard to Defendant PriceGrabber.com, but the

idea of somehow holding all the other Defendants in the suit because of that one answer is just not legally correct.

The Plaintiff moves this Court to reconsider its ruling of July 19, 2007, and allow the dismissal to go forward as is provided by law.

Respectfully submitted this the 30th of July, 2007.
